OUR APPROACH

How we operate.

01 Underwrite first.

If we won't put it in our own model, we won't put it in front of a lender.

02 Tell the truth.

The best outcome for a sponsor is sometimes "don't do this deal."

03 Drive the calendar.

Closings happen because someone holds the line. That's our job.

04 Stay in the room.

We don't disappear after closing. The next deal is where it's earned.
